Let's get Automated!

The Finance and Stewardship Committee encourages your regular monthly contributions to our beloved congregation, known as automated giving. In other words, giving by a method that allows your gift to go straight from your account to the church.

What are my automated options?

- **Vanco** - Sign up for this option with forms available through the church or via download. There is a very small fee to the church for this service. (The Vanco form is available on the church web site **Giving** link)
- **Direct bill pay from your bank** - Many banks offer direct bill pay from your account. Ask your bank if you don't already use this option. It is a wonderful way to pay utilities, housing, oh—AND your gift to the church. There is no charge to the church, and depending on your account, there may be no charge to you.
- **E-Giving Options** - UUCLR has joined the 21st century by adding "E-Giving" options. Through our trusted vendor, Vanco-- which handles the electronic fund transfers for 40 pledges each month--we may now accept pledge contributions through smart phone text or directly from the Giving web site. Donors may also use credit cards to pay pledge obligations.

To reach the E-Giving web page

Go to www.uuclr.org/vanco.html.

Payment to pledges may be one time or set up to recur on regular intervals.
